Here is the latest version of the response to questions from the 3-7-19 meeting on Lane Plating. I have inserted the responses from TX DSHS, ATSDR and TCEQ. The city has asked for the final version by 3-21. I asked if they had a preferred format for these responses, and they said they would get back to us. I am leaving it in a question and answer format for now, but I may need to turn this into a letter or a fact sheet. Please let me know if you have additional comments or edits.
